Abbey Autry, 7, of Southaven, who attends St. Agnes, was among the skaters when the 2008-2009 ice-skating season officially kicked off for the Figure Skating Club of Memphis recently. Veteran club skaters, along with several new skaters, enjoyed two hours of ice time at the DeSoto County Civic Center. The club is always seeking new skaters and sponsors. If interested, visit the Web site at fscmemphis.org.
