## Skater treats RiverKing fans

By JANE BUSH  
Special to My Life

RiverKings fans who went to DeSoto Civic Center on Thursday evening were treated not only to a great hockey game, but an upbeat figure skating exhibition by a local figure skater.

During intermission, Lauren Camp, 13, performed an exhibition program to a medley of rock and roll music — combining music from Justin Timberlake and VanHalen — that had the crowd clapping their hands and tapping

their feet to the beat. Lauren, coached by Andrea Bippus, began ice skating six years ago and has progressed to the juvenile level. In addition to performing exhibitions, Lauren has also tested and competed through the United States Figure Skating Association.
